

Paws For Life, Inc.

Partnering with the Edmond Animal Shelter

Dear Friends and Community Members:

This letter is to announce the **2019 Mutts & More 5K and Dog Walk** to benefit Paws for Life's Medical Fund for the Edmond Animal Shelter. The 2018 Mutts & More event was a success and we hope to make the 2019 even more exciting.

Paws for Life, Inc., is a 501(c)3 non-profit organization who assists the Edmond Animal Shelter with unique medical needs of the dogs and cats, such as:

- heartworm treatments for dogs \$300 - \$600
- surgeries (including broken legs, broken tails or in some cases, amputations) \$300 - \$900
- hospitalizations (parvo or upper respiratory) \$300 - \$800

These costs average \$11,000 to \$13,000 a year. We are able to save lives by funding these expenses.

The 2019 Mutts & More 5K Run and Dog Walk will be held Sunday, April 14, 2019, at Mitch Park, Edmond, Oklahoma, at 2 pm.

Our committee members are now soliciting sponsorships and donations from generous business people and individuals like you. We hope you will consider a sponsorship, a cash donation, donated items for participants, or promotional items from your business. The attached sheet provides more information about sponsorship opportunities.

If you have questions or want more information about the event, please contact race director Stephanie Coldiron at (405) 250-6864 or steph.coldiron@gmail.com

Thank you for your consideration!
